

HELLO INDONESIA

The Invisible Indonesian citizen (Undocumented Indonesian Migrants in the Netherlands)

Hello Indonesia, how are you?
I'm craving to meet you
I wish I could go back to my motherland
reuniting with my family and let this craving go

Hello Indonesia, do you still remember me?
my homeland
that i had to leave behind
for the sake of a piece of property

Hello Indonesia, I'm here
eluding from the immigration police
Although I have my fear
but I'm still here, for the sake of my family and hopes

Hello Indonesia, do you know what I'm going through?
Foreigners are not my main enemy
But my own people
who trade the work and employers who exploit me

Hello Indonesia, do you know what I'm going through?
the scorn that put me down as a criminal
ungranted passport extension
and Travel Document in Lieu of a Passport as if cannibalism

Hello Indonesia, where are you?
I don't see you
When am arrested
When am locked up

Hello Indonesia, where are you?
I want to go home across the continent and islands
to return to your lap
but why on earth they're the one who lead me out and not you?

Hello Indonesia?
